Poe duelist shield build. Poe duelist build.

You can find our recommended items: Cover of your resistencies will give you dps / life enough to start maping statistical priorities in items: Armor in the life of elementary shield resistors, about 90 is needed global speed of Fansical attack and damage a source of mana leech (helmet) rare helmet - you are interested in maximum life and elementary resistencies more, other mods are not so important. Support shutdown - Linked mana reserve reserve Now less mana [utility] Blood anger (taken in prismatic eclipse) (due to the mechanic of the prismatic eclipse is Configuration needs specific sockets by limiting your choices) Rage of blood - Blood anger drains your life at a fee Depending on the gem level, but grants you in exchange for more speed of attack, life leech and a chance of winning frenzy in mataça. Your other skills are ancestral totems to boost your body damage to body and attack speed - use them occasionally when you are fighting with a boss or in a small area. Before that, use Redbeak Single Sword with petrified blood skill yolk. Requirements: 90 Maximum Life 80% Total Elementary Resistencies Optional Affixes: Increasing Armor Intelligence Chaos Resistance To Block Ortographic Damage You have confusion / confusion shocking for 3 seconds every 8 seconds helmet Enchantments: 40% Increased Ancestral Protector Totem Subsignments 18% Increase speed of attack while active prismatic eclipse (weapon) - one of the few weapons with modifiers affecting global statuses, not only the statistic of the weapon. Use the Resolute Technology to never have your attack to be avoided and do not worry about the precision classification. + 8% chance of blocking attack damage, while double griping adds (60-70) A (71-80) physical damage 25% The global fansical damage with weapons by red socket 12% increase of global attack speed by green socket 0.4% of the folk attack echased damage à €
